Program Guide

NOTE: PLEASE DO NOT USE YOUR PERSONAL ROUTER FOR INTERNET ACCESS

This is due to personal routers not being supported by our network

See instructions below on how to set up a personal network by registering your devices

ALL DEVICES MUST BE REGISTERED FOR SMART WIFI ACCESS

- STEP 1** Register each device online at register.synergywifi.com.
- STEP 2** Once registered, connect your devices to register.synergywifi.com.

What Registering Does

Registering your devices allows them to communicate with one another over the network as well as providing you with additional usability and privacy.

Contact Support

Contact our support desk at 203.280.2029.

Email us at support@synergyfiber.com | Text us at 734.249.6005 | Chat Support at synergyfiber.com.
